

WARRANTY LABEL

LOCATION

WINDOWS:

Having trouble finding your warranty label? Simply look in the top part of the window frame as pictured. The label will have a 10 digit order number in the bottom right hand corner as highlighted to the left.

- For double hung windows, simply pull the top sash down to reveal the label.
- For slider windows, move both sashes and look in the top part of the frame to find the label.
- For all other windows the label will be found on the inside upper frame.

PATIO DOORS:

To find the warranty label on your ProVia patio door, look at the sash with the handle and the label will be on the inside upper part of the frame. (as pictured left)

ENTRY DOORS

1. Having trouble finding your warranty label? Simply open your entry door and locate the gold sticker on the hinge side of the door slab, just below the top hinge, and locate 10 digit number in the bottom right hand corner, as highlighted to the left.

2. **If you can't locate the warranty sticker:** Remove the screws from the center hinge leaf that's attached to the entry door slab. Pull the hinge leaf back and the label will be adhered to the door slab.

STORM DOORS

To find the warranty label on your ProVia Storm Door simply open the door and there will be a label on the handle side adhered to the storm door about 6" up from the bottom of the door. The label will have a 10 digit order number in the bottom right hand corner, as highlighted to the left.

Note: If the storm door was manufactured before 2017 and the label isn't on the hinge side of the door, it will be located on the top channel of the storm door as seen in the photo to the left.
